NetLink Ka 5000	HN9000 Spaceway3	5000	1000	Daily FAP 800MB	.98m / 2 W	\$199.00	\$499.95
Ent Plus X 2M x 256K	SES2	2000	256	1 GB per mo. \$130 p/GB ovrg	1.2m / 4 W	\$1,995.00	\$69.95
Ent Plus X 3M x 512K	SES2	3000	512	3 GB per mo. \$125 p/GB ovrg	1.2m / 4 W	\$1,995.00	\$189.95
Ent Plus X 5M x 1M	SES2	5000	1000	5 GB per mo. \$118 p/GB ovrg	1.2m / 4 W	\$1,995.00	\$279.95
Ent Plus X 10M x 2M	SES2	10,000	2000	10 GB per mo. \$110 p/GB ovrg	1.8m / 4 W	\$2,595.00	\$599.95
Ent Plus X 12M x 2M	SES2	12,000	2000	50 GB per mo. \$100 p/GB ovrg	1.8m / 4 W	\$2,595.00	\$2,995.95
Ent Plus G 768K x 256K	G18	768	256	No FAP 20:1 Contention	1.2m / 4 W	\$1,995.00	\$399.95
Ent Plus G 1M x 512K	G18	1024	512	No FAP 20:1 Contention	1.2m / 4 W	\$1,995.00	\$599.95
Ent Plus G 1.5M x 512K	G18	1536	512	No FAP 20:1 Contention	1.2m / 4 W	\$1,995.00	\$799.95
Ent Plus G 2M x 512K	G18	2048	512	No FAP 20:1 Contention	1.8m / 4 W	\$2,595.00	\$999.95
Ent Plus G 2M x 1M	G18	2048	1024	No FAP 20:1 Contention	1.8m / 4 W	\$2,595.00	\$1,199.95
Ent Plus DR 1M x 512K	SES2	1536	512	DR Only No Overage	1.2m / 4 W	\$2,395.00	\$275.00
Ent Plus DR 1M x 1M	SES2	1024	1024	DR Only No Overage	1.2m / 4 W	\$2,395.00	\$295.00
Ent Plus DR 2M x 2M	SES2	2048	2048	DR Only No Overage	1.8m / 4 W	\$2,895.00	\$550.00

Footnotes:

- Enterprise and NetLink Hardware pricing based on a two year term contract except for Extreme. Add \$250 to hardware pricing for a one year term. Equipment listed is an estimate, actual equipment required will be quoted on a per site basis. Extreme Pricing is based on 3 year term.
- Shipping, Taxes and Installation not included. All standard Enterprise and NetLink installations are \$549.95, standard installs are NPRM, Pole and other Roof mounts are additional. Extreme standard installs are \$399 which includes a tripod mount, NPRM and pole mounts are Enterprise installs at \$599.
- Enterprise and NetLink Service pricing listed based on two year term contracts add \$10.00 for one year term contract. NetLink Ka service pricing based on a two year term contract. Add \$10 for a one year contract. Deduct \$5 for a three year contract. Three year term pricing available upon request. Extreme service pricing is based on a 3 year term.
- Enterprise Plus and Extreme comes with Broad Sky 30 Day Satisfaction Guarantee. Average speeds 80% of listed bandwidth over a one month period for download and 70% for upload (see Service Level Agreement (SLA) for details. VoIP and Video CIR's available upon request and additional charges apply. NetLink Ka Private Network also includes 30 Day Satisfaction Guarantee.
- Enterprise Plus and NetLink Ka Private Network support IP Sec VPN, Citrix and G.729 VoIP. Broad Sky has multiple satellite optimized VoIP services and our own SkyVoice for FoIP (Fax over IP) and VoIP. SkyLink does not support VPN or VoIP. NetLink does not support VoIP, but does support VPN with a minimum 500k upload plan. Short-term options available please inquire for length of contracts available and pricing.
- Static IPs are \$10 per month for NetLink or \$25 per month for 5. One Static IP is included with all Enterprise Plus service. A persistent IP is included with an Extreme service.
- FAP = Fair Access Policy or Throughput limitations, see Commercial Services Agreement and Quotes for details on each service. All Enterprise Plus services listed are 20:1 contention ratio. Lower Contention Ratios available upon request. Extreme Continuity and Extreme Business 60 will be available in 2015. Extreme Continuity speeds available based on coverage. Extreme Business and Business 60 service is based on coverage.
